

Special Award Application Form Completion

Guidelines

The Application Form for the Special Award is a fundamental document and the primary basis for award assessment. It must be completed conscientiously and truthfully in strict accordance with the requirements set out in this document.

I. Information on Award Granted

1. Title of Awarded Project: Must be consistent with the title of the project as conferred with the State Science and Technology Awards
2. Field of Science and Technology: Must be consistent with the field of the project as conferred with the State Science and Technology Awards.
3. Date of Award: Enter the date as stated on the award certificate.

II. Progress and Outcomes in Promoting Scientific and Technological Innovation in Macao

This part shall not exceed 5 pages. It is the core content of the application form and an important basis for project evaluation and for handling objections.

The applicant shall present, in an objective, truthful, and accurate manner, the contributions made in promoting scientific and technological innovation and social or economic development in the Macao Special Administrative Region.

III. Eligibility of Applicant

Within the five years immediately preceding the date on which the application period for the award begins, the applicant shall be one of the first three awardees of the State Science and Technology Awards and shall be engaged in scientific research or technological development activities in Macao.

IV. Eligibility of Applicant Entity

The applicant entity shall be a private entity, public higher education institution or public medical institution that has been legally established in Macao and **has legal personality, and shall have been one of the first three awardees of the State Science and Technology Awards within the five years immediately preceding the date on which the applications for the award begin to be accepted.**

V. Appendices

1. Identification documents and relevant supporting documents of the applicant: If the applicant is a natural person, a copy of his/her identification document shall be submitted; non-Macao residents shall also submit a certificate of enrollment issued by a higher education institution whose main campus is located in Macao or documentary proof of a Macao SAR work permit. If the applicant is an entity, documents proving its legal establishment in Macao shall be submitted.

Electronic version: Submit scanned copies.

Paper version: Submit photocopies consistent with the electronic version.

2. Statement of Intellectual Property Liability: Must be signed by all applicants or affixed with the seals of all applicant entities.

Electronic version: Submit scanned copies.

Paper version: Submit originals.

3. Documentary proof of having been granted the State Science and Technology Awards: Submit proof of the award granted and the award certificate(s) or other supporting documents.
